Bienvenidos a nueva entrega de Yentelman, el blog donde aprenderéis inglés y, si os descuidáis, hasta español. Tras unos cuantos días más centos en sideos relacionados con el vocabulario, regresamos al Fireplace de la gramática con el lump sum de presente simple. El presente simple, o simple present, se utiliza en inglés para hablar de rutinas, hábitos o actividades que se repiten con una cierta frecuencia, así como para expresar verdades generales o particulares, por ejemplo: Life is like a box of chocolates. (La vida es como una caja de bombones). Ya hemos dicho que es un presente «simple», ¿no? No? The auxiliary of this simple para negativos es do. A continuation of vemos el use of this simple on afirmativo, negative and questioning. Afirmativa Negativa Interrogazione I speak english I don't speak English I speak English? English words Don't you speak English? Does he/she speak English Ho/she/it does not speak English Does he speak English? Let's speak English We don't speak English? English words Don't you speak English? Do they speak English? El alumno medio tiende a Pensar, equivocadamente, que el presente simple se utiliza para hacer referencia al momento, al momento en que ocurre una acción. Esto se debe a que en castellano es habitual decir y escuchar cosas como: - ¿Qué haces? - Leer el nuevo post de Yentelman. Desternating. The embargo, este use en español no coincide with el inglés. En inglés, la conversacion de arriba transcurriría en presenta continua: What are you doing? I'm reading Yentelman's new post. It's hilarious. The oxen orthographia es important también, claro...
