Reality Roots Chapter 3: Season 3, also known as Season 21, is the twenty-first season of Fortnite: Battle Royale. It started on June 5th, 2022, and will conclude on September 17th, 2022. The theme of the season is Vibin' and is themed around summer recreation and relaxation. 1 Previously, in Fortnite... 2 How Did This Season Start? 3 The Storyline 4 Battle Pass 5 Quests 6 Map Changes 7 New Additions 7.1 Update v21.00 (June 5th, 2022) 7.2 Content Update v21.00 (June 14th, 2022) 7.3 Update v21.10 (June 21st, 2022) 7.4 Content Update v21.10 (June 28th, 2022) 7.5 Update v21.20 (July 6th, 2022) 7.6 Content Update v21.20 (July 13th, 2022) 7.7 Update v21.30 (July 18th, 2022) 7.8 Update v21.40 (August 16th, 2022) 7.9 Update v21.50 (August 30th, 2022) 7.10 Update v21.51 (September 7th, 2022) 8 Music 9 Teasers/Leadup 10 Trivia 11 Navigation Previously, in Fortnite... The Imagined Order constructed The Collider, a large tower at Loot Lake that could destroy everything in The Loop. It would frequently pulse every day, charging itself up. The Seven rebuilt the Mecha Team Leader to fight against the Collider. In Collision, The Paradigm controlling the mech, the Mecha Strike Commander unleashed onto the island to target the Collider. The Foundation and Agent Jones went into the Zero Point to find Geno. How Did This Season Start? The Seven won against the Imagined Order and the Collider was destroyed, the Island then went into summer recreation after winning the war. The Storyline The Reality Tree appeared on the southwest part of the map, Making Reality Roots emerge from locations, Changing them in weird ways. The Scientist did several tests on the Reality Tree and Reality Saplings, and said he thought freeing the Zero Point was a mistake. He built an AI named A.M.I.E and discovered Darth Vader was on the island to look for a relic that had come from his reality. AMIE and The Looper pieced together the relic and The Scientist said that the Zero Point may be trying to communicate with them using the relic. They find the next relic, a shrinking chair, but it's surrounded by a energy field. AMIE and the looper eventually break the energy field, grabbing the relic which releases a Zero Point shockwave of magnitude 8.5. The Paradigm asks the looper to look for The Foundation, but they find out that he is missing along with The Visitor, and The Sisters. Paradigm and The looper finds out that The Scientist, The Visitor and The Origin is in a lab researching a weird substance that is spreading across the island and The Scientist asks the looper and Paradigm to get some gear for them. The Paradigm tells the looper that the Zero Point shockwaves was distress signals and that they need to help it. The looper finds a audio log from The Scientist explaining that he is gone. Shortly after The Paradigm goes missing as well. Now it's just The looper and AMIE. To Be Continued... Battle Pass The Battle Pass costs 950 V-Bucks, with a 25-Level Boost offer of 1,950 V-Bucks.
